

GSD MEMORIAL TREE PROGRAM

A Memorial Tree is a great way for businesses, the public, or agencies to commemorate a loved one, employee, or a special event.

By enrolling in this program, your gift will be used to purchase a tree to be planted on the Capitol Complex campus. Trees will be cared for by the General Services Landscaping crew.

How it works:

⇒ **GSD Landscape crew will help choose a location.**

⇒ **Choose a desired Tree species from list provided.**

⇒ **Choose wording on plaque. Plaque size is 3"x 5" placed on a metal post. You can choose a different plaque at an additional cost.**

The General Services Landscape crew will then find a site to plant the tree and will care for the tree as it matures.

Trees can be purchased any time; however, planting will only take place in the spring or fall.

If you would like a larger tree we can order one, but you will have to make up the price difference.

Deciduous Trees will be approximately 2"-3" in diameter and conifer trees will be 6' tall.
